Yoga shirt with tree pose and lotus flower available

\$18.00

Yoga enthusiasts, I'm gauging an interest in printing short sleeve and tank tops of my latest NAMASTE yoga shirt design. Even though we're fast-approaching warmer weather, I can also print long-sleeves and hoodies that include the word, NAMASTE down the left sleeve. Ladies, just as an FYI, all women's t-shirts run small, so order accordingly. Contact me at Suzette@SuzetteBoulais.com if you're interested!

Think Pink!

With so much political news causing division among friends, family members and colleagues, I aim to combat negativity with positive and inspiring "Think Pink" images and quotes on my Facebook page.

Hand-painted notecards can make wonderful graduation gifts

Does anyone ever get over that uplifting feeling when you receive a personal, handwritten notecard through the snail mail? I know I don't. That's why I enjoy handpainting notecards with all kinds of images, including suns, hearts, dragonflies, and the fleur de lis, just to name a few. With graduations right around the corner, along with Mother's Day and Father's Day, plan to give the gift of original art. My packets of 10 handpainted notecards are \$26.95 each, which you can conveniently purchase through PayPal on the HeartART page of my website at www.SuzetteBoulais.com.
