The CHLOE Collection: It's cards by Chloe this month

At a recent meeting at City Hall in Peoria, Illinois, several of my female colleagues commented about how much they liked the colorful and vibrant artwork I post on my Facebook page made by my artistic six year-old niece, Chloe. When one of the gals mentioned she'd even consider purchasing a set of notecards of Chloe's artwork if they were made available, I went to the drawing board and designed a set of 8 notecards of Chloe's happy art. Here are four samples of Chloe's work from the set. If you'd like to purchase a set of eight notecards, cost is \$15.

Proceeds will go toward supporting Chloe's paint supplies fund.
