## Fogelberg tribute concert takes us "Home Free"

The Fogelberg Foundation of Peoria is pleased to announce the 3rd Annual Dan Fogelberg Celebration Weekend. The two day event begins Friday, September 28, when the Fogelberg Foundation kicks off the weekend with a welcome party featuring Fogelberg tribute artists from around the country in a very special 40th anniversary tribute to Dan's first album, "Home Free." The activities culminate with a concert on Saturday, September 29, at the Peoria Civic Center Theatre and features Fogelberg music and stories as performed and told by former Byrds member Chris Hillman and Hillman's musical partner Herb Peterson, both of whom performed on Dan's *High Country Snows* album.

Anyone who orders tickets for the Fogelberg concert can order this one-of-a-kind t-shirt I designed explicitly for the celebration weekend.

### Testimony of a St. Jude winner

Recently, my friend Jane Bertolino held a golf outing to raise money for St. Jude and I happily donated a piece of art to the raffle.

Several days after the outing, what a joy it was to receive this following note: "To say I'm thrilled that I won your painting at the St. Jude golf outing is an understatement. The painting not only matches my

bedroom, but also my living room, so now my dilemma is which room to hang it in. I have put many raffle tickets in the bucket to win your paintings for several years now. I'm just thrilled to now be the owner of your work." - Vickie Spring
