Readers are designing their own sets of notecards

As you may have read in previous enewsletters, I've encouraged my readers to join me in designing their own notecards. My friend, Mary Tanton, took me up on the offer. To the right is an image Mary picked from my website at www.SuzetteBoulais.com, then sent me a favorite, inspirational saying. To the right is the product of our combined efforts. "Thank you for my cards," Mary told me. "They will be so special."

My cards are only \$1.50 per card when you order a dozen or more and \$2.00 per card when you order under a dozen.

Gallery & Framing

When I was asked to create a logo for **Picture This Gallery & Framing** in Peoria Heights, Illinois, I experimented with several design concepts. Here is the logo gallery owner Cheryl Dean chose that incorporates one of her own abstract photographs.

Kade's Coffee caters to artists

Kade's Coffee on War Memorial Drive in Peoria, Illinois is now displaying original art produced by local area artists.

I was fortunate to have my artwork on display throughout March 2008.
