Nonprofit organization considers new look, new logo

The Peoria Area World Affairs Council is a not-for-profit organization that promotes a better understanding of world affairs through public programs that bring leading national and international experts to Peoria. This Council is exploring the possibility of adopting a new logo and has asked me to develop several ideas for their consideration.

Take a look at the top three images I've designed and let me know which one you like the best. Email me at Suzette@SuzetteBoulais.com.

"Colors of Four Friends"

For many years I was in a prayer group with three very special women. We read spiritual literature, discussed films, and supported each other in our spiritual journey. Going through some of my older artwork, I came across this painting I did in honor of us four friends. I dedicate this painting to Sandy Graves, one of the members of our prayer group who died from breast cancer earlier this summer.
