Don't like the way your emotions make you feel?

If you've ever watched the reality TV program, Jon and Kate Plus 8 on TLC, Jon and Kate Gosselin share their everyday experiences about raising eight young children, a set of twins and a set of sextuplets.

On their Valentine's Day Show, Jon was uncharacteristically emotional, which took Kate by surprise. When she commented how rarely Jon ever talked about his emotions, he responded, "I don't like the way emotions make me feel." Jon's honesty was so real and his deadpan answer so spontaneous and funny, I made up a dozen white and ash grey short sleeved tee shirts with this saying on it. And I'm going to send one of the shirts to Jon Gosselin at TLC. Who knows? Maybe he'll wear it on the TV show sometime.

If there is someone in your life whom you think would get a kick out of having a tee shirt with this expression on it, let me know, You can place an order by emailing me at Suzette@SuzetteBoulais.com. Tees are \$15. Include an extra \$6 for shipping and handling.

When my nephew, Vinny Shadiow, needed a campaign slogan for a student council position he is running for at his high school, I enjoyed creating a design to go along with the slogan that uses his school colors and the school's official emblem, the shamrock.

If you need a logo for some special event or campaign, I am your designer. Email me at Suzette@SuzetteBoulais.com.

Suzette enjoys helping artists promote their work

Something Unique Studios

Part of the joy of being in graphic design is helping other artists promote their work. One artist I've had the pleasure of working with is Amy Boettcher, a folk artist with a flair for the whimsical, who operates Something Unique, an art studio in Bartonville, Illinois. Over the holidays, I helped Amy create a template for a monthly enewsletter that she'll send out to targeted email groups regarding her latest artwork, sale items at her shop, and dates for upcoming tours and painting classes.

If you need a newsletter to promote your work or business, I can help. For details, email me at Suzette@SuzetteBoulais.com.
