Patriotic images come to you in red, white and blue

While I've enjoyed designing all kinds of t-shirts over the years, the t-shirt designs that get the highest volume of sales and reorders have been those with patriotic themes.

Part of the fun of working with patriotic images is that they are so universal. To the right, I've included the word, *Peoria*, with the stars, but I could easily modify this image to say any city, USA.

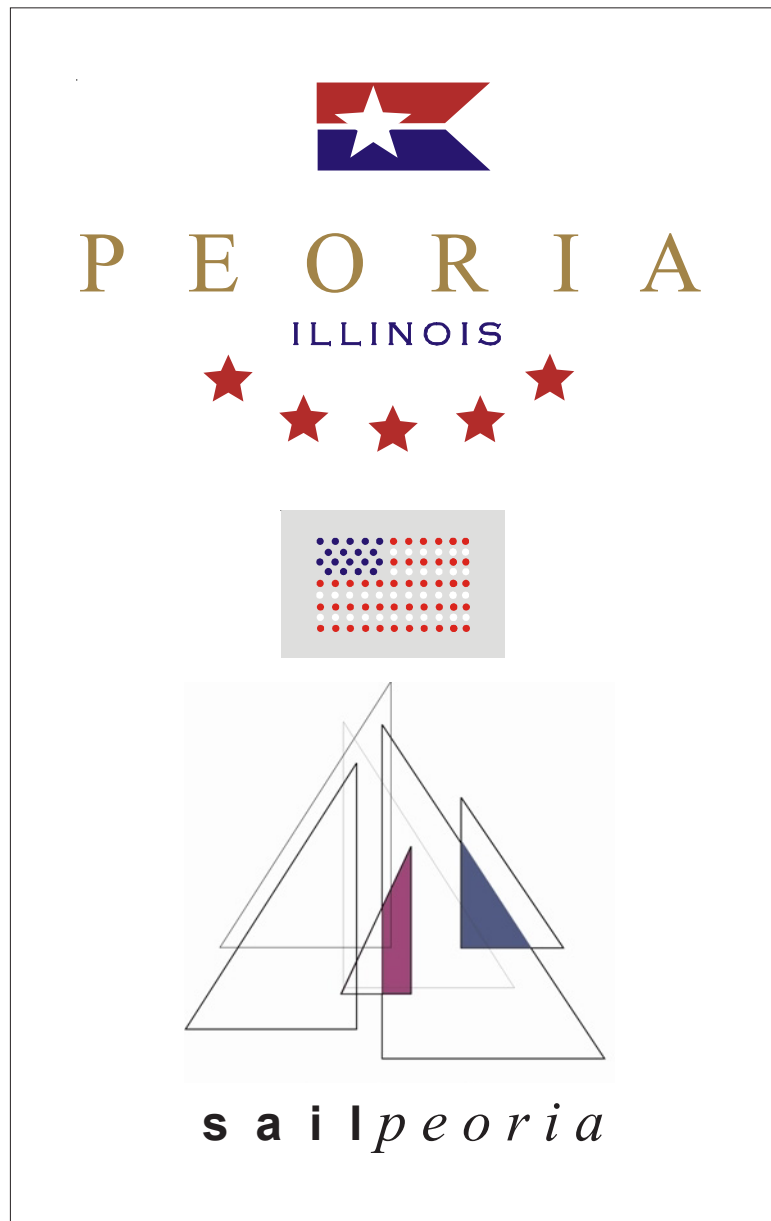

If your group, team or social club would like to order some of my patriotic t-shirts with your particular name or city on them, contact me at Suzette@SuzetteBoulais.com.
