## Young basketball shooter shoots for the highest star

Painting pieces of art for my young nieces and nephews is turning out to be an enjoyable and lucrative pastime. When I did a recent star painting for my nephew Louis' bedroom, his brother Gerard followed suit by requesting a star painting for his side of their bedroom, too. Here's Gerard, aka GB, with his new painting, "GB's Star Reaches For The Highest Star." Here's what GB said about his new artwork, "My painting totally rocks. Aunt Sue totally rocks for originality. She's a true artist."

If you would like me to paint a star for the star boy in your life, email me at [\*\*Suzette@SuzetteBoulais.com\*\*](mailto:Suzette@SuzetteBoulais.com).

After my friend Jo Huber read in my last newsletter that I'd painted a piece of art for my niece's bedroom, she ordered a similar painting for her baby niece Carly.

If you have a daughter, niece, or granddaughter whom you'd like to give a special gift, why not commission me to do an individual, personally designed HeartART painting with your special little girl's name on it?

Email me for the various canvas sizes and costs.

## Kade's Coffee Caters To Contemporary Artists

Kade's Coffee and Tea located 2535 W, War Memorial Drive in Peoria, Illinois, supports local artists.

I'm lucky enough to have some of my larger abstract paintings on display there. If you live around the Peoria area, stop in to see my work in their new back area. One of my pieces of art may speak to you and you will have to make a purchase!
