Dad sends daughter off to college with artsy gift

When my friend Steve was looking to give his daughter a thoughtful going away gift for college, he contacted me to put a favorite quote on a piece of art. "Be a lion in the forest of knowledge... a whale swimming in the oceans of life" was the expression he wished to leave his daughter with as she explored a whole new world on her college campus. To the right is the piece of art Steve chose among several paintings I showed him. This 8 x 10 inch image was matted with a black matboard and placed in an 11 x 14 inch black frame.

If you have a special quote you'd like to put on a piece of my art, email me at Suzette@SuzetteBoulais.com.

Expect a miracle

Above is a notecard I designed for my sister Mimi when her son Luke joined the Navy last month. Whenever she wonders what the military experience has in store for Luke, Mimi says this expression calms her: "Expect a miracle." If you could use a set of these "Expect a miracle" notecards, too, email me at Suzette@SuzetteBoulais.com.

Marketing committee selects non-profit logo

A lot of you weighed in last month when I shared several logo ideas under consideration by the Peoria Area World Affairs Council. Above is the logo the marketing committee of the organization has recommended to the board.
