It's time to say something sweet to your Valentine!

If you're looking for some Valentines with a personal touch, consider my Red and Pink Hearts with a pearl glitter. Or you might appreciate my single red heart with a hot pink background and splashes of gold. I can include a Valentine greeting inside the card or, if you prefer, I can leave the inside blank so you can write your own message. My Valentines are

on special this month, only \$1.75 per card. Place your order now at **Suzette@SuzetteBoulais.com**.

Have you ever visited my website at **www.SuzetteBoulais.com**? Here's what the home page looks like. It includes images of my paintings along with a listing of other activities I engage in such as designing logos and painting personal and unique notecards.

Take a look, navigate around, and let me know what you think!

Notecards now available via Pay Pal thanks to computer guru Vincenté

Over the Christmas holiday my computer guru nephew Vincenté made some key changes to my website. For convenience and easy purchasing, he created Pay Pal links to all of my HeartART notecards and Thoughts That Soar inspirational designs.

According to Vincenté, Pay Pal is the way to go when it comes to selling items via the web. In between watching NFL football games, Vincenté spent many hours creating the Pay Pal links and making **www.SuzetteBoulais.com** all the more user-friendly. Thanks, Vinny!

Why not take a look at all of the original hand-painted notecards available? I'm selling them by the dozen.

Vincenté Shadiow saved the day!
